EFFECTIVE DATE: May 15, 2007 EXPIRATION DATE: August 31, 2007 FILE SYMBOL NUMBER: 07-MI-03

## KEEP OUT OF REACH OF CHILDREN

## DANGER - POISON PELIGRO - VENENO

## **DIRECTIONS FOR USE**

- It is a violation of Federal law to use this product in a manner inconsistent with its labeling.
- Follow all applicable directions, restrictions, Worker Protection Standard (WPS) requirements and precautions on EPA-registered label for Carzol SP, EPA Reg. No. 10163-265.
- This label must be in the possession of the user at the time of pesticide application.

CROP	PEST	APPLICATION
DRY BULB ONIONS	Thrips	One application –  1) Do not exceed 1.25 lbs formulated product per acre.
		Two applications –  1) Make two applications at 0.75 lbs formulated product per acre per application. Do not exceed 1.5 lbs formulated product per acre per season. Applications should be made no less than seven days apart.

- Aerial mixer/loaders must not mix/load more than 217 lbs. of formulated product (equivalent to 87 water soluble bags) per person per day.
- Do not enter or allow worker entry into treated areas during the restricted entry interval (REI) of 48 hours.
- Do not apply within 30 days of harvest.
- Do not allow spray to drift onto adjacent crops.
- Do not spray while bees are visiting the treatment area.
- Crop residues are not to be fed to livestock.
- The Michigan Dept. of Agriculture must be immediately informed of any adverse effects which may result from the use
  of this product.
- Observe the following rotational crop intervals following the last application of Carzol SP to dry bulb onions:
  - 1. No restrictions for onions.
  - No restrictions for non-food crops grown for seed: roots and tubers, cole crops, leafy vegetables, and bulb vegetables.
  - 3. No restrictions for livestock feed crops: alfalfa, clover, crown vetch, grass, lespedeza, lupine, trefoil and vetch, including these crops grown for seed.
  - 4. 30 days for leafy vegetables.
  - 5. 120 days for cereal crops.
  - 6. 120 days for root and tuber crops.
  - 7. 120 days for all other crops.
